

## Tour Fátima - Batalha / 8 hours

We can pick up the clients in our offices or at the hotel or at the apartment in Cascais área.

In Fátima, we start the tour visiting the factory of religious articles where you can buy religious articles and blessed them in the sanctuary.

Then we visit the Shrine where Our Lady of Fátima appeared to the shepherd children in 1917 to transmit them three messages: The End of the First World War, the fall of Communism and the attempt to the Pope John Paul II. Fátima is one of the most important Catholic shrines in the world.

After Fátima we go to the City of Batalha where we will visit the Monastery. A UNESCO World Heritage Site. This Monastery was built by The King John I as thanks for the success of the portuguese troops against the Castilian troops in the battle of Aljubarrota (the August 14, 1385). This is the most complete example of the gothic in Portugal.

(\*) The price of the ticket to visit the Monastery is not included in the value of the Tour.
